

167.22 Chronic wasting disease.

1. As used in this section “*chronic wasting disease*” means the same as defined in section 170.1.

2. Except as otherwise provided in this subsection, a person licensed under this chapter shall not transport the carcass of a deer or elk into this state if the carcass originates from an area outside this state that has a significant prevalence of chronic wasting disease as determined by the state veterinarian. In order to transport the carcass into this state, the person must obtain approval by the state veterinarian in a manner and according to procedures required by the department.
